U.S. Army

Instructions to Reviewers:

1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a security order recommendation.

2. The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a security order has been rescinded.

Note for Completion of Review:

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a security order.

35 USC 181: "The Director shall not grant a patent on an invention disclosed in a printed publication, in a public use, or in a sale, if the invention is disclosed in a printed publication, in a public use, or in a sale, more than 12 months before the date of the application for the patent." This application is not disclosed in a printed publication, in a public use, or in a sale, more than 12 months before the date of the application for the patent. Therefore, the application is eligible for patent protection. The application is not disclosed in a printed publication, in a public use, or in a sale, more than 12 months before the date of the application for the patent. Therefore, the application is eligible for patent protection.
